The survey asks about the operating entity; resources available to recruits; total operating budget; full-time and part-time instructors or trainers and their education, sworn officer experience, certifications, and ongoing training; sex, race and Hispanic origin, prior educational attainment, and veteran status of recruits starting and completing training; and the length and content of basic training curricula offered at the academy

- 5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* BJS estimates approximately 750 law enforcement academies with a respondent burden of about 2 hours per academy to complete the survey form and about 10 minutes per agency of data quality follow-up time for approximately 450 of those academies.
